Media Invitation

Media is invited to cover Family Fun Night at Spark!

MORGANTOWN, WV (March 2, 2020) — Media outlets are encouraged and welcome to cover Family Fun Night at Spark! Science & Imagination Center in Morgantown. The event takes place from 5 to 7 p.m. Thursday, March 5.

Families who participate in Monongalia County Health Department’s Women, Infants, & Children program as well as Head Start and Early Head Start in Monongalia County will be treated to a night of fun and healthy foods and activities.

This year’s theme is “Be Transformed by Good Nutrition – Bite by Bite.” March is National Nutrition Month and it is organized by the Academy of Nutrition and Dietetics.

“The Very Hungry Caterpillar” by Eric Carle, the award-winning, best-selling book about a caterpillar who eats his way through several pieces of fruit before transforming into a beautiful butterfly, will be read out loud. The caterpillar will also be making an appearance during the event.

WIC’s Family Fun Night will be a colorful event and we would be happy to coordinate a visit from media. Please contact Mary Wade Triplett at 304-598-5152 or email MaryWade.Triplett@wv.gov with any questions.
